IMPORTANT NOTICE REGARDING YOUR LIFELINE SERVICE

T-Mobile has voluntarily ended its participation in the Lifeline program in Massachusetts. As a result, effective [60 days from date of notice], Lifeline discounts will no longer be applied to your T-Mobile service. You have the option to either continue receiving service from T-Mobile or obtain service from another authorized Lifeline provider in your area.

If you would like to remain a valued T-Mobile customer, you will continue to be enrolled in your current rate plan without the Lifeline discount. You may also select another T-Mobile service plan by contacting T-Mobile Customer Care at 1-800-937-8997. A list of current plan options is available online at www.t-mobile.com/cell-phone-plans/individual.

If, on the other hand, you still qualify for and wish to continue receiving Lifeline benefits, you will need to contact an authorized Lifeline service provider in your area. A list of authorized Lifeline service providers by state can be found on the Universal Service Administration Company (USAC) website at <http://www.lifelinesupport.org> or by calling USAC at (888) 641-8722 during normal hours of operation: Monday-Friday 9:30 AM to 4:30 PM ET. For further assistance, you may also contact the Department of Telecommunications and Cable Consumer Division at 1-800-392-6066.
